RECITALS

WHEREAS, DISTRICT holds fee title to portions of **SAWPIT WASH**, including certain open channel improvements constructed thereon;

WHEREAS, LESSEE desires to lease an unimproved portion of the **SAWPIT WASH** right of way for **pedestrian and vehicular bridge/ingress and egress** purposes and no other;

WHEREAS, LESSEE desires to lease DISTRICT's property for the terms and conditions set forth in this Lease;

NOW THEREFORE in consideration of the covenants and conditions set forth herein, DISTRICT and LESSEE agree as follows:

ARTICLE 1. DESCRIPTION AND ACCEPTANCE OF PREMISES

A. Description

DISTRICT, by and through its Board of Supervisors, leases to LESSEE, and LESSEE leases and hires from DISTRICT, that property described in Exhibit "A" attached hereto located in the City of Monrovia, County of Los Angeles, State of California, hereinafter "Premises".

B. Acceptance

LESSEE accepts the Premises in the condition existing as of the date this Lease is executed, except as otherwise provided herein, subject to all matters of record.

ARTICLE 2. USE

A. Description

Lessee has the right to construct, reconstruct, maintain, and operate a **pedestrian and vehicular bridge** on the Premises, provided that the construction shall not be done or commenced until the plans and specifications

for such construction or reconstruction shall have first been submitted to and been approved in writing by the Chief Engineer of the DISTRICT.

LESSEE acknowledges that neither DISTRICT nor DISTRICT's agent has made any representation or warranty as to the present or future suitability of the Premises for LESSEE's proposed use or the conduct of LESSEE's business.

B. Interference with Flood Control

LESSEE agrees that its use of the Premises shall not adversely affect DISTRICT's flood control facilities and/or operations. If DISTRICT determines, in its sole discretion, that the use of the Premises adversely affects flood control or if such use has not been approved in accordance with the provisions of this Lease, LESSEE shall, upon receipt of notice thereof from DISTRICT, immediately cease such use. LESSEE shall bear any expenses associated with the cessation of such use, and shall have no rights or claims therefore against DISTRICT.

ARTICLE 3. LEASE TERM

The Lease Term shall be effective for a period of thirty **(30)** years beginning the day and year first above-written, also referred to as the Effective Date. **The day and month on which the Lease Term commences shall be the Anniversary Date for the purposes of paying and calculating rent.**

A. Option to Extend

LESSEE shall have one five (5) year option to extend this Lease. Said option may be exercised by LESSEE to DISTRICT in writing no later than one hundred eighty (180) days prior to the end of the thirtieth (30th) year.

B. Cancellation

DISTRICT shall have the right to cancel this Lease for flood control and/or water conservation purposes by giving LESSEE at least one hundred eighty (180) days prior written notice.

ARTICLE 4. RENT

Rent is due annually and payable on each Anniversary Date to:

Los Angeles County Flood Control District
c/o County of Los Angeles Department of Public Works
P.O. Box 7437
Alhambra, California 91802-7437
Attention Fiscal Division

All payments shall state the name of LESSEE and Lease No., which can be found on the cover page.

A. First Year Rent

LESSEE shall pay DISTRICT as initial annual rent for the Leased Premises an amount of **TWO THOUSAND FIVE-HUNDRED DOLLARS** (\$2,500).

B. Rent Adjustment Based on Consumer Price Index For All Urban Consumers-(CPI-U)

Except for years affected by the reappraisal as specified in Subsection C below, every Anniversary Date that this Agreement is in full force and effect, the rent for the current 12-month period (current rent) shall be adjusted by the Consumer Price Index for All Urban Consumers (base year 1982-84 = 100) for the Los Angeles-Riverside-Orange Counties, California area, published by the United States Department of Labor, Bureau of Labor Statistics ("Index") as follows:

$$\text{current rent} \times \text{current index} \div \text{previous index} = \text{new rent}$$

The current rent shall be adjusted by that percentage increase reported in the Index for that twelve (12) month period taken ninety (90) days prior to the Anniversary Date. The product of the current rent and the Index percentage is the amount payable to DISTRICT. The rent shall never be adjusted to an amount less than the current rent.

If the described Index is no longer published, another Index generally recognized as authoritative shall be substituted as selected by the Chief Officer of the Bureau of Labor Statistics or its successor. If no such government index or computation is offered as a replacement, the DISTRICT and LESSEE shall mutually select a percentage for calculating future annual adjustments.

C. Rent Adjustment Based Upon Appraised Land Value

On the 15th Anniversary Date and each five-year period during the term of this Lease and in the event the option to extend pursuant to Article 3.A. is exercised, then also on the 30th Anniversary Date of the Lease, the rent shall be adjusted based on an appraisal of the Premises made or caused to be made by DISTRICT. Appraisals to determine a fair market rental value of the subject leasehold shall be done in such a manner whereby the cost of the improvements placed upon the Leased Premises at the commencement of this Lease shall not be considered in the appraisal or any re-appraisal during the remainder of the Lease Term.

DISTRICT shall notify LESSEE in writing thirty (30) days prior to the effective date of the rent adjustment. If the effective date set forth in the foregoing notice

is later than the Anniversary Date, and LESSEE has paid the annual rent due as of the Anniversary Date, then LESSEE shall pay DISTRICT a prorated portion of the new rent for the unexpired portion of the current lease year after the effective date of the adjustment. In no event shall the rent be adjusted to an amount less than the current rent.

D. Late Payment

- (1) Any rent payable under the Lease by LESSEE to DISTRICT and not paid within ten (10) days of due date shall be delinquent and subject to interest charged from the date payment is due at the rate of ten percent (10%) per annum. Interest shall be charged on the unpaid balance plus accrued interest, until such time that the amount fully owed is received by DISTRICT. The interest rate shall not exceed the then existing legal limit in California.
- (2) If it becomes necessary to bring suit for collection of rent, or of any other sums herein stipulated to be paid, and DISTRICT is successful in any such suit(s), LESSEE agrees to pay attorney's fees and any other collection fees as DISTRICT may reasonably incur.

E. Net Lease

Unless stated otherwise herein, it is the purpose and intent of DISTRICT and LESSEE under this Lease that all rent paid by LESSEE to DISTRICT shall be absolutely net to DISTRICT. All costs, expenses, and obligations of all and every kind relating to the use, occupancy, and maintenance of the Premises by LESSEE, which may be incurred and become due during or subsequent to the Lease Term, shall be paid by LESSEE.

F. Proration

In the event of cancellation or early termination of this Lease other than on an Anniversary Date, prepaid rent shall be pro-rated to reflect the actual date of tenancy, subject to DISTRICT inspection of the Premises.

ARTICLE 5. SITE ASSESSMENT

It is the intent of this Article to provide for testing and study of the Premises physical condition. This Article is not intended for the provision of due diligence review for financial feasibility and/or entitlements. All such tests and studies shall be undertaken at the sole cost and expense of the LESSEE.

A. Access

LESSEE may enter the Premises to conduct or to have conducted site assessment tests and studies as LESSEE deems necessary and as DISTRICT requires to satisfy contingencies stated in this Article.

B. Testing

- (1) LESSEE shall perform or cause to be performed a **Phase I Site Assessment**, a noninvasive site investigation, in accordance with "E1527-97 Standard Practice for Environmental Site Assessment: Phase 1 Environmental Site Assessment Process" as published October 10, 1996 by the American Society for Testing and Materials.

Any documents prepared as part of the Phase 1 site Assessment shall be delivered to DISTRICT by LESSEE immediately upon LESSEE's receipt thereof, and shall thereafter become the property of DISTRICT.

- (2) DISTRICT, at its sole discretion, may require LESSEE to perform or cause to be performed a **Phase 2 Soils Study**, which shall include without limitation the following:

- preliminary surface and subsurface soil and groundwater sampling
- geophysical survey
- soil gas survey
- atmospheric sampling
- industrial hygiene and safety review
- identification of contamination and its sources
 - recommend methods for remediation of contamination, if any
- estimated cost, if any, for remediation

Any documents prepared as part of the Phase 2 study shall be delivered to DISTRICT by LESSEE immediately upon LESSEE's receipt thereof and they shall therefore become the property of DISTRICT.

Contractor(s) selected by LESSEE shall have prior experience performing studies of this type and they shall be approved by the DISTRICT in writing prior to the letting of such contracts.

- (3) LESSEE shall not sample on or below the surface of the Premises until first allowing DISTRICT to inspect the Premises. LESSEE shall then secure a permit, in accordance with Article 8.C., issued by DISTRICT to allow such actions.

C. Requirements and Remediation

- (1) LESSEE shall have sixty (60) days from the Effective Date to arrange for and complete all such actions to satisfy the site assessment requirement.
- (2) The scope of services and any persons or firms conducting any aspect of the site assessment shall be subject to prior written approval by DISTRICT. Any firms conducting such tests will have prior experience.

- (3) DISTRICT, in its sole discretion, may demand remediation of any and/or all contamination conditions found on, above, or below the site. Such remediation shall be made at LESSEE'S sole cost and expense. LESSEE shall hold DISTRICT harmless, and indemnify and defend DISTRICT against any and all claims and costs arising from any prior use of the Premises.
- (4) LESSEE shall notify DISTRICT in writing by the sixty first (61st) day after the Effective Date of the satisfaction or non-satisfaction or waiver of any and all contingencies or conditions set forth in this Article.
 - a. If LESSEE fails to notify DISTRICT within the aforesaid sixty (60) day period, then it will be deemed that the LESSEE has waived the requirements set forth herein, and assumes the property is free of contamination and the Lease shall continue in full force and effect.

ARTICLE 6. SECURITY DEPOSIT

A. Amount and Acceptable Forms of Security Deposit

- (1) LESSEE shall provide DISTRICT, prior to the Effective Date, a security deposit that shall at all times thereafter be maintained by LESSEE. The initial amount shall be equal to the First Year's Rent.
- (2) If DISTRICT deems at any time that said amount is insufficient, in view of inflation and other factors, DISTRICT shall set a new amount that will provide DISTRICT with the same level of protection to the DISTRICT stated in 6.A(1) above, but at no time will that amount be less than the initial security deposit.
- (3) The security deposit shall guarantee LESSEE's full and faithful performance of all the terms, covenants, and conditions of this Lease.
- (4) The security deposit shall be in the form of a cashier's check payable to the LOS ANGELES COUNTY FLOOD CONTROL DISTRICT.
 - a. The security deposit shall be delivered to the DISTRICT prior to the execution of this Lease by LESSEE.
 - b. Any interest earned on the Security Deposit shall be reinvested and accumulated. The tax liability on the interest earned shall be reported to the Internal Revenue Service using the taxpayer identification number of the LESSEE.
- (5) LESSEE may not change the form of security deposit. DISTRICT, at its sole discretion, may change the form of security deposit at any time during the Lease Term by notifying LESSEE in writing as to the amount, the new form, and the date upon which the new security deposit is due to DISTRICT.

B. Availability and Uses of Security Deposit

- (1) All or any portion of the security deposit shall be available unconditionally to DISTRICT to correct any default or breach of this Lease by LESSEE, its successors or assigns, or for payment of expenses incurred by DISTRICT as a result of the failure of LESSEE, its successors or assigns, to faithfully perform any of the terms, covenants, and conditions of this Lease.
- (2) If at any time during the term of this Lease, any rent or any other sum payable to DISTRICT shall be overdue and unpaid, DISTRICT may, at DISTRICT's option, apply that portion of the security deposit to the payment of any overdue rent or any other sums due and payable to DISTRICT under this Lease.
- (3) Should the entire security deposit or any portion thereof, be appropriated and applied by DISTRICT for the payment of overdue rent or any such other sum due and payable to DISTRICT by LESSEE, then LESSEE shall within thirty (30) days after written demand by DISTRICT, restore said security deposit to the required amount.
- (4) LESSEE shall maintain the required security deposit throughout the Lease Term. Failure to maintain the proper amount of security deposit shall be deemed a default and may, at DISTRICT'S sole discretion, be grounds for termination of this Lease.
- (5) The security deposit shall be rebated, reassigned, released, or endorsed to LESSEE, as applicable, at the end of the Lease Term, provided LESSEE is not then in default and has performed its obligations as required upon termination of this Lease.

ARTICLE 7. FLOOD CONTROL AND WATER CONSERVATION PRIORITY

Use of the Premises by LESSEE for those purposes so stated in Article 2 herein shall be subordinate to DISTRICT's use thereof for present and future flood control and/or water conservation purposes as determined by the DISTRICT and shall not interfere or conflict with DISTRICT's use.

A. Priority of Premises

- (1) It is understood by the parties hereto that since construction projects of DISTRICT and others authorized by DISTRICT may be carried on within the Premises, LESSEE, its officers, agents, employees and its contractors, permittees, licensees and their employees shall not unreasonably hinder or delay any of them or their actions.
- (2) DISTRICT may, when necessary, request LESSEE in writing to make required modifications, additions, relocation or removal of LESSEE's facility due to DISTRICT's work for flood control and/or water conservation purposes, when in the sole discretion of DISTRICT, such work cannot be

accommodated practically or economically with LESSEE's existing improvements. LESSEE shall be obligated to make such modifications, additions, relocation or removal upon its receipt of notice thereof, shall perform such obligations at its expense and shall complete them prior to commencement of DISTRICT's work.

- a. Should LESSEE fail to make said modifications, additions, relocation or removal within one hundred twenty (120) days from receipt of notice from DISTRICT, DISTRICT may perform the required work itself or engage an independent contractor and charge LESSEE for any and all expenses incurred.
- b. LESSEE shall reimburse DISTRICT for any and all costs DISTRICT incurred in making said modifications, additions, relocation or removal together with interest calculated in conformance with Article 4.D.

At its sole discretion, DISTRICT may use the security deposit for such payment. In such case, LESSEE shall restore the security deposit in accordance with Article 6.B.(3).

ARTICLE 8. CONSTRUCTION AND ALTERATION

A. LESSEE's Right to Construct and Alter

- (1) LESSEE has the right to construct (or cause to be constructed) the improvements necessary for pedestrian and vehicular bridge purposes on the Premises. All improvements now or hereafter constructed or located on the Premises shall be the property of LESSEE. Upon the expiration or sooner termination of this Lease (unless upon such termination a new lease is executed), said improvements shall become the property of DISTRICT. The costs of all permits, licenses, and other costs of any nature in connection with the construction of the improvements and the use of the surface of the Premises shall be borne by LESSEE, and LESSEE indemnifies and holds DISTRICT and the Premises harmless in connection therewith.
- (2) The construction, reconstruction, alteration, remodeling or removal of any improvements shall not commence until LESSEE's preliminary and final plans and specifications thereto have been submitted to and approved by DISTRICT's Chief Engineer or designee, and are in accordance with the terms and conditions of this Lease. In accordance with Article 8.C., LESSEE shall obtain and bear costs of permits for such work.

Routine maintenance, including graffiti removal, which does not include any penetration of the soil's surface and/or any construction, reconstruction, alteration or removal of any improvements is exempt from the requirements of Articles 8.A.(2) and 8.C.

- (3) It is understood by LESSEE that such approval by DISTRICT does not imply, confer, or constitute any entitlement as to what is permitted and may be constructed on the Premises. Such entitlement(s) must be obtained by the LESSEE from the jurisdiction in which the Premises are located.
- (4) Such written approval for construction, reconstruction, remodeling, or alteration, with the exception of removal, shall not be unreasonably withheld unless DISTRICT, at its sole discretion, determines that the proposed construction, reconstruction, remodeling, or alteration, will interfere with the operation and maintenance of said DISTRICT facility or any of DISTRICT's other affected properties or facilities or the placement of underground utilities.
- (5) LESSEE shall submit, to DISTRICT, "As Built" Construction Drawings within thirty (30) days from Notice of Completion as executed by the Head, Permits and Subdivision Section, Construction Division of the Los Angeles County Department of Public Works. Failure to submit "As Built" Construction Drawings", as required herein, shall constitute a breach of this Lease. - (4) If this Lease is terminated by DISTRICT based on LESSEE's default, or if the Lender acquires the rights of LESSEE hereunder, DISTRICT shall enter into a new lease of the Premises with the Lender if the Lender (a) makes written request within sixty (60) days after acquiring such rights, (b) pays all costs of DISTRICT relating to such default and termination and preparation of a new lease, and (c) cures all curable defaults as though the Lease had not been terminated, The new lease shall be for the remainder of the term of this Lease, effective at the date of termination or foreclosure, at the rent and on the same terms and conditions as this original Lease.

In the event the Lease is terminated as a result of such taking prior to the fifteenth (15th) anniversary of the Lease, the award, settlement or payment resulting from such taking (including any award, settlement or payment as compensation by way of severance damage suffered by such portion of the Premises not taken), shall be distributed between the parties as follows:

- a. In the event of such lesser taking the award, settlement or payment for such taking shall be divided between the parties hereto as follows:

- a. - b. The residue of such award, settlement, or payment shall be awarded to DISTRICT. In the event of such lesser taking not giving rise to termination of

this Lease, the Rent payable by LESSEE to DISTRICT after such taking shall be reduced by an amount equal to the product of the multiplication of the rent payable at the time of such taking by a fraction, the numerator of which shall be the number of square feet so taken and the denominator shall be the total number of square feet of the Premises existing immediately prior to such taking. Such Rent reduction shall be effective as of the date of such taking. In no event shall the rent be less than the DISTRICT's minimum rent requirement of \$2,500 per year.

C. Temporary Take

- (1) If the use or occupancy of all or any part of the Premises shall be temporarily requisitioned by any governmental authority, civil or military, this Lease shall continue in full force and effect, and LESSEE shall promptly repair any damage caused by any such taking or requisition to LESSEE's improvements on the Premises.

Such notice of termination may not set a date for termination of the Lease of less than thirty (30) days from the date notice is given.

B. Rent Due and Rights Not Waived In Event of Default

- (1) Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or others as provided by law, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any Rent due to DISTRICT hereunder or of any damages accruing to DISTRICT by reason of the violation of any of the terms, provisions and covenants herein contained.
- (2) Forbearance by DISTRICT to enforce one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of any of DISTRICT's rights hereunder.
